**Re: Broadcasting Notice of Consultation CRTC 2017-365; CRTC Application #2017-0586-5
by Pelmorex Weather Networks (Television) Inc.**

Dear Mr. Hutton,

I am writing to indicate my support for the application by Pelmorex for the continued and permanent distribution of *The Weather Network* and *MétéoMédia* on the basic TV service.

I support *The Weather Network* application because it is an essential public service which keeps me and the communities in my rural riding of Yellowhead informed and safe. *The Weather Network's* distribution of local Environment Canada warnings, air quality indicators and road conditions is vital to my constituents.

It is important that all my constituents, especially the elderly or those with fixed incomes, are able to continue to access *The Weather Network* in an affordable and convenient manner as part of the basic cable and satellite service.

Sincerely,

Jim Eglinski, MP
Yellowhead
