Mr. Scott Hutton
Secretary General (Acting)
Canadian Radio-Television and Telecommunications Commission
Ottawa, ON
K1A 0N2

Dear Mr. Hutton,

I write to you today to indicate my support for the application by Pelmorex for the continued and permanent distribution of The Weather Network and MétéoMédia on the basic TV service.

In a rural riding like Bruce-Grey-Owen Sound, it is essential that residents are able to access the important information that The Weather Network provides in an affordable and convenient manner as part of the basic cable and satellite service. Many of my constituents must drive long distances for work, shopping, community events, and more. The weather reports and road conditions provided by The Weather Network are important to their day-to-day lives. The commission must ensure that this vital service remains part of the basic TV service on a permanent basis.

I thank you for taking the time to read this letter and hope that you rule in favour of Pelmorex's application.

Sincerely,

Larry Miller, MP
Bruce-Grey-Owen Sound
