Dear Mr. Hutton,

**Re: Broadcasting Notice of Consultation CRTC 2017-365; CRTC Application #2017-0586-5 by Pelmorex Weather Networks (Television) Inc.**

I am writing to indicate my support for the application by Pelmorex for the continued and permanent distribution of The Weather Network and MétéoMédia on the basic TV service.

I support The Weather Network application because it provides an important public service. Its broadcast provides local Environment Canada warnings, information regarding road conditions, and emergency alerts.

Maintaining the Weather Network on the basic TV service will ensure those services continue to be available to all Canadians, regardless of their age or income.

All the best,

Daniel Blaikie, M.P.  
Elmwood-Transcona
