**Re: Broadcasting Notice of Consultation CRTC 2017-365; CRTC Application #2017-0586-5  
by Pelmorex Weather Networks (Television) Inc.**

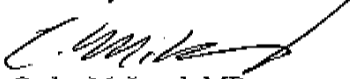

Dear Mr. Hutton,

I am writing to indicate my support for the application by Pelmorex for the continued and permanent distribution of The Weather Network and MétéoMédia on the basic TV service.

I support The Weather Network application because it is an essential public service which keeps me and the communities in my riding informed and safe. The Weather Network's distribution of local Environment Canada warnings, air quality indicators and road conditions is vital to my constituents. It is important that all my constituents, especially the elderly or those with fixed incomes, are able to continue to access The Weather Network in an affordable and convenient manner as part of the basic cable and satellite service.

I have cc'd this letter to Pelmorex Communications.

Sincerely,

  
Cathy McLeod, MP
